Please remember to include the following items with your scholarship application:

- An unopened, certified copy of your transcripts that shows the technical communication classes you have completed.
- A paper example of a technical communication project you produced accompanied by an 800-1000 word essay. The essay needs to explain what principles of technical communication the project uses and how an understanding of those principles helped you create an effective project.
- If you are sending an electronic copy of your project along with the paper copy of your project, please remember to include a working URL in your essay or have it formatted as a PDF file.
